

Presentation Notes

20/11/14

- Color coding
slide 3 - break up bullet points
- need 1 slide explaining the solution
- Prototype - Step 1 and Step 2 instead of phase 1, phase 2.
Incorporate both into ~~introduction~~ solution
- for sample kit, we can have someone walk out & demonstrate
- Slide 10 - phrase as questions as we continue to test prototype

• OVER TIME!!! > 5mins
~

• Competitive Analysis

- Shorten slide 17 into
one word category

• make new tables

• adjust colors

adjust font size
